

# Release Notes

## Scribe Adapter for Salesforce.com

---

Version	2.8.2
Release Date	May 10, 2017

### Requirements

- ▶ Scribe Insight 7.9.2 or later
- ▶ A Salesforce.com Account
- ▶ Microsoft .Net Framework Version 4.5.2

If you are upgrading to Salesforce Adapter V2.8.2, you must have Microsoft .Net Framework Version 4.5.2 installed.

If you cannot install Version 4.5.2 of Microsoft .Net Framework, do not install Salesforce Adapter V2.8.2.

Additional configuration may be required to leverage Salesforce.com's workflow capabilities.

For more information, see [Implementing the Adapter](#) in the Salesforce Adapter Online Help.

If you are using integration templates provided by Scribe, verify in the template release notes that your template is compatible with this updated adapter. You can also check release information on the [Scribe template download page](#) for up-to-date information.

### What's New In Version 2.8.2

- Support for version 39 of the Salesforce API.

Help for this Adapter is in the [Scribe Help Library](#). See the [Scribe Insight and Adapters Download](#) page for the latest version of Help.

## Fixes

Case Number	Description
87782	D31696: Deleting Sales Order Lines in Salesforce stopped after deleting 500 lines with the following error:  create on object: Transaction_Line_Item__c Failed Status Code: DUPLICATE_VALUE duplicate value found: GP_LineItemId__c duplicates value on record with id: XXXXXXXXXXXXX

## Known Issues

Case Number	Description
—	There are no known issues in this release.

## Getting Help

Scribe is dedicated to providing information as quickly as possible to those who need it. We have created the [Scribe Success Community](#), where you can find Scribe product information, engage in discussions with other Scribe users and Scribe employees. Searching for information does not require that you log into the Community. Logging in is required to begin a discussion or open a support case. See [Signing Up As A New Success Community Member](#).

Always check the [Scribe Help Library](#) for the latest version of Scribe's Help files.

## Feedback

Scribe is very interested in hearing about your experiences with our products and documentation. We invite you to join the [Scribe Success Community](#), where we welcome your comments and suggestions for improvements. See [Signing Up As A New Success Community Member](#) and [Sign Up For Scribe Product Release Notifications](#).
