## What's New In Version 4.4.1

This version of the adapter includes:

- Support for DataDirect 7.1
- Technical alignment with Scribe Insight 7.9.1

⚠️
- If you are upgrading to Dynamics Dynamics GP Adapter v4.4.1, you must also upgrade to Scribe Insight 7.9.1. If you are not upgrading to Dynamics Dynamics GP Adapter v4.4.1, do not upgrade to Insight 7.9.1.

- Because Microsoft Dynamics GP does not support Unicode data, the Unicode features in Scribe Insight v7.5.0 and later are not supported with this Adapter.
